

Calling All Writers and Artists!

Each year, the New England Region publishes the *Honors Anthology*, a collection of the best writing and 2D art by Phi Theta Kappa members in our six states. Writing and art can be on any topic, and there are no minimum or maximum lengths. We especially encourage you to submit papers or 2D art you've already prepared for classes! Submissions can be made any time before February 1. The best submissions are selected for publication in the *Honors Anthology*. All you need to do is send an e-mail!

For more information, e-mail anthology@neptk.org

Don't let those papers go to waste!
