

2007-08 Regional Service Project *Phi Theta Kappa - New England*

Trees for the Future is an internationally-renowned non-profit that helps communities in the world's most impoverished, degraded areas rebuild and strengthen their environment through the planting of life-sustaining trees. Since 1989, TFTF has helped villages in Africa, Latin America, and Asia plant more than 50 million trees, restoring sustainable life to more than 25,000 acres of land across the planet.

Ways Your Chapter Can Participate

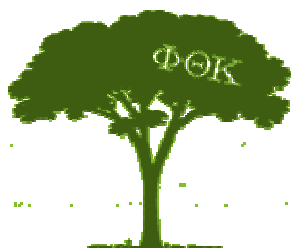

- **Contribute** 10¢ per tree to help a community in need
- **Sponsor** a village in one of 9 Asian, African, or Latin American countries
- **Educate** using TFTF tools & materials

Organize Locally, Impact Globally

For more information on how to get involved,
contact your regional officers or visit www.treesff.org
